FYI - the email for Linsey Walsh as listed in the FRN was returned as undeliverable. As the CRM for atrazine, could you please see that the comments are sent to the correct person? Apologies for the trouble. Thank you!

**Subject:** USDA Comments on the Triazines

Good Afternoon,

With apologies for being late, attached are USDA's comments on the triazines which were due on Monday. I was unable to get them submitted and I hope you will accept them as I believe you will find them to be helpful.

Please let me know if you have questions.

Thank you,

Sheryl
